DICE PRODUCERS PORTFOLIO SUPPLEMENTAL CONDITIONS – WRAP-UP

Throughout this policy, “you” and “your” refer to the Named Insured shown in the Declarations. The words “we”, “us” and “our” refer to the Company providing this insurance.

The Named Insured, “You” and “Your” is extended to include:

1. “Insured Production Entity” means the Production Entity contracted by or on behalf of the First Named Insured or one of their owned or Majority Managed Subsidiaries or entity contracted with the “Insured Production Entity” to produce product within the terms of this Endorsement (herein after referred to as “you” or “your”) but only with respect to any act or failure to act on the part of such parties while acting within the scope of their duties as such.
2. The coverage afforded hereunder applies to “insured productions”, regardless of length, produced on various kinetic media including but not limited to film, video or computer, and print media. Any other types of productions must be approved by us and will then be either rated separately or included on the “Monthly Billing Report”.
3. Each Monthly Billing Report must be submitted to us by the fifteenth (15th) of the following month. NOT APPLICABLE
4. Premium and Rating:
 - a) The premium for all Coverage Sections of the policy is calculated as follows:
\$N/A (including Cast Insurance) per each \$100 of “Gross Productions Costs”, which is defined as all costs incurred by you in connection with an Insured Production except:
 - I. Talent Costs and Talent Expenses unless endorsed hereon.
 - II. Administrative Costs not directly related to a

production except in the event of a loss.

Unless declared by you prior to the start of a production. (As further outlined in the Rate Endorsement).

- b) At the inception of this policy, an annual deposit premium of \$2500 is due and payable.
- c) The minimum earned premium will not be less than \$2500 fully earned at inception.
- d) The premium earned will be calculated at the end of each month based on the “Monthly Billing Report” for that preceding month. The calculation will be endorsed to the policy as the Monthly Billing Endorsement on the 15th day of every month. NOT APPLICABLE

5. Additional Definitions:

- a) “Monthly Billing Report” outlines the “Insured Productions” and “Insured Production Entities” and will include the following information for each Insured Production: NOT APPLICABLE
 1. Production Company; and
 2. Commercial Title; and
 3. Job Number; and
 4. Declaration Date; and
 5. Gross Production Cost; and
 6. Cost of Hire.
- b) “Advertiser” means any entity that engages any Agency or Production Company on its behalf to promote its product.
- c) “Agency” (or “Advertising Agency”) means any entity that is engaged to

- promote the exploitation of a product on behalf of the advertiser.
- d) "Insured Production Entity" means any company that produces commercials, regardless of length, on various kinetic or print media including but not limited to film, video or computer for "advertisers" and "advertising companies".
 - e) "Talent" means any performer engaged by the Agency or Advertising Agency to perform on-camera or as a voiceover in connection with an insured production.
 - f) "Coverage Term" mean twelve (12) months from the date of Declaration as stated on the "Monthly Billing Report" for each "Insured Production". In the event that the "Coverage Term" for the "Insured Production" extends beyond the Policy Expiration Date stated in Item 2 – Policy Period on the Declarations Page, coverage hereunder is extended until the expiration of the "Coverage Term" for the "Insured Production". NOT APPLICABLE

SECTION I. LOSS CONDITIONS

- f. Duties In The Event of Loss or Damage**, (2) Minimize Loss or Damage, is amended as follows: Take all reasonable steps to protect the property and Covered Persons from further damage and minimize the loss. Keep a record of your expenses in doing so for consideration in the settlement of the claim. This will not increase the limit of insurance.
- h. Other Insurance, will not apply to the "Insured Production Entity" as agreed by the First Named Insured prior to a loss. Or as required by contract.
- k. Exchange Rate**, is added as follows:
The rate of exchange applied to a loss shall be the rate as paid by your and agreed by us to purchase the foreign funds.
We reserve the right, for claims that we settle directly with third parties to the policy, to adjust the claims at the prevailing exchange rate of the exchange rate used to actually purchase the foreign funds.

SECTION II. LOSS CONDITIONS, is amended as follows:

b. Cancellation, (2) We may cancel this policy by written notice to the First Named Insured at least:

- (a) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
- (b) 90 days before the effective date of cancellation if we cancel for any other reason.

d. Conformity to State Law

When any policy provision is in conflict with the applicable law of the State in which this policy is issued, the law of the State shall apply unless this policy is broader.

j. Inadvertent Error Clause is added as follows:
You shall not be prejudiced by an unintentional or inadvertent omission, error or incorrect description of the property insured hereunder, provided notice be given to us and corrections be made as soon as practicable after discovery of any such error or omission.

SECTION III. SPECIAL CONDITIONS, as follows are added or amended:

.d Stop Loss Date is amended as follows:

A "Stop Loss Date" is a loss you necessarily incur because of a delay in completing the original shooting schedule of an "Insured Production" that will otherwise prevent you from honoring the termination date to which to have agreed in a written performance contract or agreement for a "Covered Person(s)".

This policy does not insure against loss or damage caused by or resulting from a "Stop Date Loss" unless the need to incur the "Stop Date Loss" directly prevents or reduces loss or damage to which this insurance applies. In that case only, coverage will apply to a "Stop Date Loss", subject to the following conditions.

1. If you necessarily incur the "Stop Date Loss" solely and directly as a result of loss or damage to which this insurance applies, the "Stop Date Loss" will be recoverable, subject to the applicable limit of insurance, any applicable deductible provisions, and all other terms and conditions of this policy.
2. If you necessarily incur the "Stop Date Loss" partly as a result of loss or damage to which this insurance applies and partly as a result of uninsured loss or damage, then an apportionment of the "Stop Date Loss" will be made.
3. If you necessarily incur the "Stop Date Loss" not as a result of loss or damage to which this insurance applies, then no part of the "Stop Date Loss" will be recoverable.

Coverage afforded under this section is subject to the proviso that the performance contract term was sufficiently longer than your original schedule time for completion of the "insured production" so as to allow a reasonable margin of safety to cover

possible delay in completing the “insured production”.

e. Annual Aggregate Deductible, is added as follows:

This policy is subject to a per “Insured Production” deductible of \$N/A and an Annual Aggregate Deductible for the policy term of \$N/A subject to the following:

1. All adjusted claim amounts that you incur up to the deductible amounts stated on the Declarations Page will accrue to the “Insured Production” and Annual Aggregate Deductible(s) Cap(s).
2. At such time as the “Insured Production” or Annual Aggregate Deductible(s) Cap has been exhausted, the deductible shown on the Declarations Page or within the policy will drop down to \$N/A for each adjusted claim and for all subsequently adjusted claims for that “Insured Production” or annual period of declared productions.
3. The “Insured Production” Deductible is \$N/A and the Annual Aggregate Deductible Cap for the annual period is \$N/A.

The Annual Aggregate Deductible will not include any claims under Coverage G. Performers/Cast Coverage, Civil Authority, Producers Indemnity or Difference in Conditions.

f. Special Conditions:

The following is added:

f. Named Insured

The First Named Insured and Named Insured shall mean the first named insured as declared and any majority owned or majority managed subsidiaries at any point further in a continuous line of corporate succession and their majority financially controlled or actively managed organizations.

Named Insured shall include entities or persons which they have agreed to insured, including any “Production Entity” contracted by or on behalf of the First Named Insured, or one of their owned or majority managed subsidiaries.

“Insured Production Entity” is only insured for contracted insured production activity.

g. Difference in Conditions

Coverage afforded under all section of this policy shall automatically extend to and include coverage on a Difference in Conditions basis, subject to the following special provisions:

1. In the event that the “Insured Production Entity” insured under this policy maintains insurance and that insurance specifically provides coverage for a loss, which is not specifically covered under this policy, this policy shall so extend and provide coverage for such loss subject to terms and conditions of such other policy.
2. However, if a coverage options or section has been declined by the “Insured Production Entity” and therefore is not part

of their current policy, no such coverage will be provided by this policy.

3. The policy provided by the “Insured Production Entity” must have been in effect and in good standing with the issuing insurance carrier for an annual term:
 - a. at the time the Production Agreement was executed; and
 - b. prior to any loss.
4. Limit of Liability
The most we will pay for loss in any one occurrence is \$500,000.
5. Deductible
We will not pay for loss in any one occurrence until the amount of the adjusted loss before applying the applicable limits of insurance exceeds the applicable deductible amount of the applicable coverage section in each occurrence. We will then pay the amount of the adjusted loss in excess of the deductible, up to the applicable limit of insurance.

h. Claims Cost is added as follows:

This policy is extended in include up to \$0 in the aggregate any one occurrence for your actual cost of preparing a covered claim. This will be in addition to the limit shown for the coverage on the Declarations Page. This will not be included in the Gross Production Costs.

SECTION IV. DEFINITIONS APPLICABLE TO ALL COVERAGES UNDER THIS POLICY
